

July 2026 Beach Report

This year Beach pass sales were 102 Passes. We are using Weekapaug to assist with our security for the lot again. Thus far we have had no issues with our beach or parking lot.

Next year we will have an increase in Beach passes to 150\$ to offset our Weekapaug security costs. For the remainder of the summer, we will have a Lot attendant on Saturdays and Sundays. Last day of Lifeguards will be September 7th of Labor Day weekend.

Please continue to follow all Shady Harbor beach Rules and Regulations - whenever possible pick-up trash that has been left behind.

Thank you
Kelly Zabel
